Wednesday October 14, 2009

Dear Parent(s)/Guardian(s):

This week students wrote the theory portion of their final test for Mathematics, Unit 1. The purpose of this letter is to share your child's results, share the class and grade results, share how the report card mark will be calculated and give you some background information on the preparations leading up to this final test.

First, your child's marked mathematics test is attached. If you are interested in seeing how your child's final grade compares to others in the class, you may use the information in the chart below. Here are the results:

<b>Math Test, Unit 1, Class Results Table</b>					
<b>Letter Grade</b>	<b>Percentage</b>	<b># of Students</b>	<b>Letter Grade</b>	<b>Percentage</b>	<b># of Students</b>
<b>A+</b>	<b>90-100</b>	<b>2</b>	<b>C</b>	<b>64-66</b>	<b>2</b>
<b>A</b>	<b>85-89</b>	<b>2</b>	<b>C-</b>	<b>60-63</b>	<b>1</b>
<b>A-</b>	<b>80-84</b>	<b>4</b>	<b>D+</b>	<b>57-59</b>	<b>1</b>
<b>B+</b>	<b>77-79</b>	<b>3</b>	<b>D</b>	<b>54-56</b>	<b>1</b>
<b>B</b>	<b>74-76</b>	<b>2</b>	<b>D-</b>	<b>50-53</b>	<b>3</b>
<b>B-</b>	<b>70-73</b>	<b>0</b>	<b>F</b>	<b>40-49</b>	<b>2</b>
<b>C+</b>	<b>67-69</b>	<b>1</b>	<b>F</b>	<b>&lt;40%</b>	<b>1</b>

Parents should be aware that a review was conducted. The "sample test" questions that the students were shown were the similar questions that appeared on last week's test.

Parents should also be aware that I have been sending home weekly, computerized, reports of all of the marks that your child has been receiving on their weekly homework. Although MOST parents are returning these reports, signed, a few are not. If you have not been seeing these reports each week, please ask your child why not? I will continue this practice for the remainder of the year.

Finally, it is time to calculate the numbers for report cards. Students will continue to have tests in mathematics. The report card mark will be calculated this way:

Mathematics: Unit 1: Data Management Mark

Total All Assignments	30%
Final Test (COMPLETED, Attached to this letter)	70%
<b>TOTAL</b>	<b>100%</b>

The final deadline for outstanding math assignments is always the same date as the final unit test. This date was Tuesday October 13th, 2009. All individual assignment marks, that you have been seeing on the last, weekly, homework completion reports, have now been combined as "Unit 1: Total All Work". This combining of marks is evident on the attached report, which simply lists the entirety of the your child's work as one mark. To this one mark will be added the test mark, which then will be averaged following the above mark breakdown. Finally, a mark out of 100% will be arrived at. I hope all of this is clear; however, if not, please feel free to contact me by phone at 905 294 5756 x209. The best time to get a hold of me directly is between 7:15 a.m. and 7:40 a.m. each and every morning. You may also reach me at kevin.hunt@yrdsb.edu.on.ca

Mr. Hunt  
Grade Six Teacher

PLEASE SIGN, DETACH AND RETURN WITH YOUR CHILD ON THE NEXT SCHOOL DAY

Math Test Unit 1, Homework Report for Math Unit 1, and Report Card Calculation & Mark Breakdown cover letter

I have received the letter from: \_\_\_\_\_
